In reply to your letter cited, I am directed to state that so far as the candidates deputed to the Rangers' Course at the Madras Forest College, Coimbatore are concerned, this Government have sanctioned the payments of free grants and advances towards the purchase of initial equipment required during the course. In regard to the candidates deputed to the 1950-52 Rangers' course, orders were issued in August 1950 sanctioning the payment of a free grant of Rs. 700/- to each of the Forests and of an advance of Rs. 665/-, including an outright grant of Rs. 333/- to each of the Forest Apprentices for the purchase of initial equipment and the C.C.F., Madras has reported that this sanction was communicated to the Principal, the Madras Forest College, Coimbatore and that the attention of the candidates was also drawn will in advance to provide themselves with necessary funds to meet the additional expenditure required towards the purchase of equipment.

In regard to the probationary Asst. Conservators of Forests deputed by the Government of Madras to the Superior Forest Service Course, I am to state that the Madras Govt. do not grant them any money towards the purchase of equipment required during the course. In order to obviate the possibility of the candidates arriving at Dehra Dun without sufficiant money, orders are being issued separately requiring the selected candidates to remit a sum of Rs. 1000/- to the President, F.R.I. and Colleges, Dehra Dun towards the cost of initial equipment and that unless they produce evidence of having done so, they will not be deputed to the Superior Forest Service Course.
